(i) provide for delinquent youth committed to the department; and

(ii) coordinate and apply the principles of modern correctional administration to the facilities and programs administered by the department.

(2) The department may contract with private, nonprofit or for-profit Montana corporations to establish and maintain a residential sexual offender treatment program. If the department intends to contract for that purpose, the department shall adopt rules for the establishment and maintenance of that program.

(3) The department and a private, nonprofit or for-profit Montana corporation may not enter into a contract under subsection (1)(c) or (2) for a period that exceeds 20 years. The provisions of 18-4-313 that limit the term of a contract do not apply to a contract authorized by subsection (1)(c) or (2). Prior to entering into a contract for a period of 20 years, the department shall submit the proposed contract to the legislative audit committee. ~~1 The department shall adopt by rule the requirements for a day reporting program, including but not limited to~~
~~2 requirements for daily check-in, participation in programs to develop life skills, and the monitoring of compliance~~
~~3 with any conditions of probation, such as drug testing.~~

~~4 (6) [Section 1] does not apply to a facility operated on October 1, 2009, by the department or a contractor~~
~~5 with the department as a prerelease facility. The department shall adopt rules specifying a facility to which~~
~~6 [section 1] applies.~~

~~7 (7) The department may also exempt from the requirements of [section 1] a prerelease facility to be~~
~~8 operated by the department or a contractor with the department beginning after October 1, 2009. The department~~
~~9 shall adopt rules specifying facilities to which this subsection applies. As part of the process of granting an~~
~~10 exemption to a prerelease facility constructed or designated after October 1, 2009, the department shall hold at~~
~~11 least one public hearing in the community in which the facility is to be located."~~
